Thanks to its cozy cut, the maritime color combination and the lacy elements, our light and beach-ready sweater *Weekend Ahoy!* is your perfect companion for the warm seasons. Rick Rack Ribs lend a certain finesse to the trim. To top it off, the sweater is knitted sideways and, although adorned with lots of details, it's a great project even for beginners.

### **Directions:**

#### Back piece:

Work one edge stitch both at the start and end of each row.

Cast on 89 (93, 94, 95, 96, 97) stitches on needle size 4.0 mm / US 6 in MC.

Purl 1 row, knit 1 row, purl 1 row and cast on 27 (29, 31, 33, 35, 37) stitches for sleeve opening.

Switch to CC A and work **stripe pattern** as follow: \*2 rows CC A, 4 rows MC\*

Repeat \*...\* 3 times.

Work sequence \*16 rows **eyelet pattern**, 26 rows **stripe pattern**\* repeatedly until you reach overall length of about 47 (54, 56, 64, 69, 78) centimeters. Consider working a few centimeters less or more to achieve symmetry. Try to find out what fits the measurements you want to obtain.

Bind off the first 27 (29, 31, 33, 35, 37) stitches knitwise – your sleeve opening – and knit remaining stitches. Purl 1 row, knit 1 row, bind off remaining stitches purlwise.

#### Front piece:

Work just as back piece.

#### Rick Rack Rib back piece:

##### **Row 1, right side:**

With right side facing and needle 3.5 mm / US 4, pick up and knit 103 (118, 128, 143, 153, 173) stitches evenly *or a number of stitches that can be divided by 5 plus 3* in CC B from neckline.

*For example, pick up and knit stitches like this: \*2 stitches from 2 rows, skip 1 row\*.*

##### **Row 2, wrong side:**

ES, \*p1, k1, p2, k1\* ending with p1, ES.

Continue by working **Rick Rack Ribs** in rows for 4 centimeters and bind off all stitches loosely in Rick Rack Rib pattern.

#### Rick Rack Rib front piece:

Work just as Rick Rack Rib back piece.

### Intermediate step:

Close side seams by sewing front and back piece together, leaving sleeve openings open. Close shoulder seams on both sides for approximately 10 (12, 12, 14, 14, 16) centimeters. Naturally, you can go ahead and alter to your own liking.

### Hem:

With CC B and needle size 3.5 mm / US4, pick up and knit stitches evenly from the lower edge. Number of stitches must be divisible by 5. Place marker at beginning of round.

*For example, pick up and knit stitches like this: \*2 stitches from 2 rows, skip 1 row\*.*

Knit setup row: \*k1, p1, k2, p1\*. Repeat \*...\* to end of row. Continue by working **Rick Rack Ribs** in rounds for 4 centimeters and bind off all stitches loosely in Rick Rack Rib pattern.

### Sleeves:

With needle size 4.0 mm / US 6 and color according to pattern sequence, pick up and knit 67 (71, 75, 79, 85, 89) stitches from around sleeve opening and work in rounds. Place stitch marker at beginning of round. Start working in pattern sequence for 3 centimeters, then start decreases as follows:

Decrease 1 stitch before and 1 stitch after marker every 3½ (3, 2½, 2½, 2, 1½) centimeters. Make sure to adjust eyelet pattern if necessary. Repeat decreases 10 (12, 14, 13, 16, 18) times.

*Try on your Weekend Ahoy! occasionally to determine your preferred sleeve length and width. Maybe cropped sleeves are perfect for you?*

Once your sleeve measures a total of 49 (47, 46, 44, 42, 40) centimeters switch to CC B and needle size 3.5 mm / US 4. Knit 1 round and adjust stitch count to a number divisible by 5. Continue by working **Rick Rack Ribs** in rounds for 4 centimeters and bind off all stitches loosely in Rick Rack Rib pattern.

### **Finishing:**

With two threads of yarn in CC B apply embroidery according to **Anchor stitch pattern** into eyelet pattern. Weave in loose ends, wash and block.

Now you can head off into your weekend and don your *Weekend Ahoy!* with due pride, sailor!
